NYSARC, Inc.

PACDS

Arc of Westchester partners with community organizations to provide family supports to both children and adults. Parents Assistance Committee on Down Syndrome is a group of Westchester parents of children with Down syndrome who know how important it is to be linked to other parents, resources and support groups. We have an extensive list of parents who volunteer their time to support other parents. They are available by phone or to meet with families.

The birth of a child with special needs presents within itself many questions, joys, uncertainties and hope. Westchester PACDS consists of families who are raising children with Down syndrome who are living full, happy and productive lives. It is a network that continues to bring families together and where ideas, hopes and dreams are shared by all. We welcome the opportunity to add new families to our network.

Please feel free to contact us if you have any questions.

GIGI's PLAYHOUSE

GIGI's Playhouse Down syndrome Achievement Centers provide free educational and therapeutic programs to individuals with Down syndrome, their families and the community. Their mission is to increase positive awareness of Down syndrome through national campaigns, educational programs, and by empowering individuals with Down syndrome, their families and the community. Their vision is to see a world where individuals with Down syndrome are accepted and embraced in their families, schools and communities.
