MERCY COLLEGE CAMPUS
DOBBS FERRY, NEW YORK

Join us for this unique and highly interactive conference! Attendees include rehabilitation professionals (occupational, physical and speech therapies), along with assistive technology experts, medical professionals, teachers, parents and individuals with autism and other developmental and cognitive disabilities. This full-day conference will present opportunities to learn about the latest technological innovations that can empower people to live more independent lives in their communities.

This is a valuable opportunity for you to showcase your innovative products and services that are on the cutting edge of this exciting field. Exhibitor tables will be located in prime locations throughout the Mercy Hall Rotunda in Dobbs Ferry, NY where all keynote presentations will take place throughout the day.

Space is limited – Reserve early. Contact Jordan Jankus, Technologist, Arc of Westchester, 914.495.4474 or email jjankus@arcwestchester.org to reserve your space today and discuss further details.
